## How to Make Garlic French Fries

## Steps

250gr potatoes  
3 cloves garlic  
salt  
pepper  
butter  
oil  
chili

## Materials

## Goal

First clean and peel the potato, cut as big as little finger.

Secondly deep fry the potato until it cooked.

Then chop the garlic and chili.

After that heat the butter on frying pan, add garlic, chili, salt and pepper, mix all of them and cook until it looks brownish.

Next, put the french fires to the frying pan and mix with the spices.

Finally, serve the french fries.
