Jerry had to travel to Italy yesterday. He left the house at 10 o'clock in the morning and caught a taxi to the airport. He went to the check-in desk with his luggage. When the airline agent asked for his passport, Jerry got very angry. He realized he didn't have his passport. He took another taxi and told the driver to take him home. The driver drove quickly and Jerry was back home in twenty minutes. He ran into the house and went into his bedroom. He found his passport on the bedside table and left the house again. But the taxi wasn't there! Jerry was furious. "I don't believe it. The taxi left!" he shouted. He started running along the street and saw a bus which was going to the airport. So, he got on the bus. The traffic on the road was very bad. There were too many vehicles and Jerry's bus arrived at the airport late. His plane departed for Italy at 11.30 and Jerry didn't catch it. So, he spoke to the airline. They told him that they didn't have another ticket to offer him.

1. The text describes Jerry's bad experience.
2. Jerry lost his passport at the airport.
3. Jerry took a bus to get back home.
4. He arrived at the airport late.
