The Scientist

Come up to meet you, tell you I'm sorry
You don't know _____
I had to find you, tell you I need you
And tell you _____

Tell me your secrets and ask me your questions
Oh, _____
Running in circles, coming up tails
Heads on a science apart

Nobody said it was easy
_____ for us to part
Nobody said it was easy
No one ever said it would be this hard
Oh, take me back to the start

I was just guessing at numbers and figures
Pulling the puzzles apart
Questions of science, science and progress
Do not speak as loud as my heart

_____ , come back and haunt me
Oh, and I rush to the start
Running in circles, _____
Coming back as we are

Nobody said it was easy
Oh, _____ for us to part
Nobody said it was easy
No one ever said it would be so hard
I'm going back to the start

HOW LOVELY YOU ARE
IT'S SUCH A SHAME (2X)
TELL ME YOU LOVE ME
CHASING OUR TAILS
I SET YOU APART
LET'S GO BACK TO THE START
