

TIME ZONES

Anna and Paul have two kids and they live in Madrid. John, the oldest is studying in New York (USA) and Rachel, the youngest, is in a trip in Beijing, (China) .

Anna wants to phone John and Rachel but there are differences in time zones. Can you help her?:

When does she need to call John when it's 15:00 pm in Beijing?

When does she need to call Rachel when it's 15:00 pm in New York?

Anna and Paul are travelling to New York next week. Their flight takes off at 9:00 AM. (It takes about 6 hours to fly to New York)

What time (Spanish zone) will they arrive?

What time will be in New York when they arrive?
