Monday 22nd December

I was eleven years old today. I **had** a great birthday party and received many excellent presents. All **1.** _____ my friends came to my party and my mother made **2.** _____ biggest birthday cake ever. After the party, I sat down and opened all of the presents. My uncle gave me a computer game called "A great adventure". I haven't tried to **3.** _____ it yet, but I think it's interesting. My friend Richard bought me a pair of beautiful striped gloves. I also got a new drum from my mum and dad. It's made of metal and it sounds amazing. But the present that I liked the most was **4.** _____ my grandparents. They gave me a little kitten with long, soft, silver-coloured fur! I think I'm **5.** _____ to name it 'Grey'. I promised that I will take good care of it.

Dear William,

I am having a lovely holiday at my Uncle George's house. This afternoon, he drove me and my cousin, Charlie **...to...** West Lake. We did lots of exciting things there. First, we made a boat from old newspapers and sailed it down the stream. We were very lucky that it _____ quite windy today so the boat moved fast.

_____ that, we went fishing. Uncle George was very good _____ fishing, he caught three very big fish. Then my cousin Charlie and I went to collect some wood to _____ fire. We cooked fish on the fire and have a delicious lunch. We all _____ a really wonderful time.

Please tell me about your holiday.

See you soon,

Dan.
