However, this week I went to (2)_____ the latest James Bond movie with Harry. He used to live near me a few years ago, but moved to Australia. Now, he's back for a (3)_____ and staying with us.

Anyway, the film was really good as it had lots of (4)_____ effects and a great (5)_____ . We got some good (6)_____, which was really lucky as it's a (7)_____ film

I hope you get a chance to see the (8)_____ film as it's amazing. I'm not going to tell you anything about it because I don't want to spoil it.

Please write to me soon.

Bye for now,
Amy
