I'm so glad you \_\_\_\_\_ time to see me  
How's life? Tell me, how's your family?  
I haven't \_\_\_\_\_ them in a while  
You've \_\_\_\_\_ good; busier than ever  
We small talk, work in the weather  
Your guard is up and I know why  
Cause the last time you \_\_\_\_\_ me  
Still burns in the back of your mind  
You \_\_\_\_\_ me roses and I left them there to die

— It turns out freedom ain't nothing but missin' you  
— So this is me swallowing my pride,

— Wishing that I realized what I had when you were mine

And realized I **hated/loved** you in the fall

With the dark days when the fear **crept** into my eye

### BACK TO THE CHORUS

WRITE THE OPPOSITES:  
I miss your **tan** skin, your **sour** smile,  
So good to me, so **wrong**  
And how you held me in your arms  
That September **day**;  
The first time you ever saw me cry  
Maybe this **isn't** **wishful** thinking  
Probably mindless dreaming  
If we loved again, I swear I'd **hate** you right  
I'd go back in time and change it but I can  
So if the chain is **under** your door I understand
