Paper 1

Time allowed: 1h.15' (+ List: 1h. 30')

**SECTION A: Reading Comprehension**

Read the text and choose the correct option, true (T) or false (F).

**Emma Ross**

Emma Ross left school at eighteen and went to college. Then she worked at a local airport. After a year, she went to work for Easyjet and then she joined Emirate Airlines as a flight attendant.

Five years later, she got her present job as a manager. Here is what she told us about her job: 'My office is at Gatwick Airport, but I spend 60% of my time in the air. I teach flight attendants and help with any problems. I also go to lots of meetings. My working hours are usually from 8 a.m. to 4 p.m., but sometimes I finish at 9 p.m.'

'At work, the first thing I do is check plane times on my computer, and then I speak with some of the flight attendants. Sometimes, I go on long flights to check how the flight attendants are doing. That's my favourite part of the job, but I like office work, too. Travelling can be hard work.'

'When I get back from a long journey, all I can do is eat something and then go to bed! I earn a good salary, and I love working for Emirate Airlines. I plan to work there for a long time if I can continue to travel.'
