

# *Hello It's Halloween song*

**Watch out!**

**The \_\_\_\_\_ are out!**

**If you're all alone**

**Give your friends a shout**

**The \_\_\_\_\_ and the spooks**

**Coming out of the \_\_\_\_\_**

**As your \_\_\_\_\_ rings**

**Can you hear them sing?**

**Hello it's Halloween!**

**Hello it's Halloween!**

**Hello it's Halloween!**

**Hello it's Halloween!**

The air is cool  
And the \_\_\_\_\_ is full  
Turn on the light  
Before the \_\_\_\_\_ bite!  
The \_\_\_\_\_ are cooking  
The \_\_\_\_\_ are looking  
And your doorbell rings  
Can you hear them sing?

Hello it's Halloween!  
Hello it's Halloween!  
Hello it's Halloween!  
Hello it's Halloween!

**Watch out!**

**The \_\_\_\_\_ are out!**

**If you're all alone**

**Give your friends a shout**

**The vampire's flying**

**And the \_\_\_\_\_ hunting**

**As your \_\_\_\_\_ rings**

**Can you hear them sing?**

**Watch out!**

**The \_\_\_\_\_ are out!**

**If you're all alone**

**Give your friends a shout**

**The \_\_\_\_\_ and the spooks**

**Coming out of the \_\_\_\_\_**

**As your doorbell rings**

**Can you hear them sing?**

**Hello it's Halloween! ...**
