Cheeseburgers come from the US. They're meat with cheese in bread. They're very good.

Souvlaki comes from Greece. It's meat with vegetables in pita bread. Sometimes there's yoghurt in it and chips, too.

Noodles come from China. You can have noodles with meat and vegetables. You can also have them in soup. They're yummy!

Crepes come from France. They're like thin pancakes. French people eat crepes with cheese. There are also sweet crepes, with jam or chocolate.
