My new school is in a quiet place not far from the city centre. It has three buildings and a large yard. This year there are 26 classes with more than 1,000 students in my school. Most students are hard-working and serious. The school has about 40 teachers. They are all helpful and friendly. My school has different clubs: Dance, English, Arts, Football and Basketball. I like English, so I joined the English club. I love my school because it is a good school.
