

Choose the correct option on each of the lines

Number the verses of the Pre-chorus and Bridge in the order it is sang in the song.

YOU'RE SUCH A HAILEE STEINFELD

You keep calling/lying/trying, you keep
calling/lying/trying
praying/saying/mailing that you want it back
All my loving, all my loving
But you can't, you can't

You keep calling/lying/trying, you keep
calling/lying/trying
With that sweet talk on your tongue
But I'm not buying/dying/trying, I'm not
buying/dying/trying
I can't, I can't

[Pre-chorus]:

- () 'Cause you had your chance and you blew it
- () Yeah, you wrapped it out and you chewed it
- () And the more you talk, you prove it
- () Yeah, you prove it

[Chorus]:

Damn, you're such a
Did you think that I would let you
Crawl right back into my bedroom
After everything we've been through
I know the truth
That, damn, you're such a
Difficult little devil

Trying to put it back together
'Cause you see I'm doing better
Without you now

Damn, you're such a
Dadadadada dadadadada
Damn, you're such a
Dadadadada
I know the truth
Damn, you're such a

See you smoking/choking/looking, see you
smoking/choking/looking
Those electric cigarettes
Are you burping/joking/smirking? Are you
burping/joking/smirking?
I can't, I can't

[Pre-chorus], [Chorus]

[Bridge]:

- () You can take your lies to your next girlfriend
- () 'Cause I don't want to hear it anymore
- () And if you're all that's left when the whole world ends
- () No, I still don't want to hear it anymore
