Answer the questions (9-10) according to the text below.

TEENAGERS IN THE NETHERLANDS

Why are the teenagers in the Netherlands happiest in the world?

Dr Simone De Roos says teens have a good relationship with people around. Their parents back them up all the time. Teachers accept their feelings and students trust their teachers. They also have tactful and helpful classmates.

Most of the young people also eat breakfast on weekdays and they usually cycle to school and they have a great time there.

9.
