

bright      changeable      clear      heavy      icy  
settled      strong      sunny      thick

In the north of England and Scotland it will be very cold, with \_\_\_\_\_ winds and \_\_\_\_\_ rain. There will also be \_\_\_\_\_ fog in the hills and near the coast, though it should be clear by midday. Driving will be dangerous as the roads will be \_\_\_\_\_. However, the south of England and the Midlands will have \_\_\_\_\_ skies and it will be \_\_\_\_\_ and sunny, though the temperature will still be quite low. Over the next few days the weather will be \_\_\_\_\_, with some showers, but occasional \_\_\_\_\_ periods. It should be more \_\_\_\_\_ over the weekend.
