### Tim's Birthday

Last week, it was my birthday. When I got up, there was a gift on my bed. I opened it quickly and found a new pair of sneakers! They were so cool. For breakfast, my mom had prepared pancakes — my favorite! Then, I called my best friend, Lee. He came over and we played our favorite video game. Then, we went to *Laser Zone*, where we tried to hit each other with the laser. After that, we went to the fast-food restaurant for burgers. When we had finished our burgers, a woman put a big birthday cake in front of me. Then, all my friends appeared and sang *Happy Birthday!* I was so happy! It was the best birthday ever!
