Every summer, I go _____ in the countryside.

We spend most of our time outside, _____ in the hills and forests. It's great exercise and the views are amazing.

I like _____ of all our adventures together.

We take lots of pictures and I like to look back on them later.

When we're not hiking, we help out in the garden. We like to grow our own vegetables and flowers.

One summer, we even _____ in the backyard!

Sometimes we just relax and _____ books. It's a

nice break from all the excitement. Last summer, I learned to swim at the local pool with my cousins. It was a lot of fun. We also

go _____ and tell stories around the campfire.

It's so much fun being out in the wilderness.

Finally, we take horseback riding lessons at the local stable. It's a great way to learn new skills and bond with the horses. Our holidays are always full of adventure and fun!
