Exercise 2: Read the passage and choose the correct answer (1 point)

Caring for the elderly at nursing homes means making sure they feel loved and happy. It's like taking care of our grandparents when they are living in a special place where they can get extra help. We can do simple things to show our love and care. Visiting our grandparents often is important. We can spend time talking and listening to their stories. Playing games or doing activities they like is also a great way to make them smile. Helping with daily tasks is a nice thing to do. We can help them eat, remind them to take their medicine, or walk with them. Being patient, especially when they need more time to do things. Joining activities with them is fun. We can sing songs, dance, or draw together. It's a great way to have a good time and make them feel happy. In summary, taking care of our grandparents in nursing homes is about showing love and making them feel special. It's about spending time together, doing things they enjoy, and being helpful and patient.

1. What can we do to show love and care for our grandparents in nursing homes?
 - A. Visit them regularly and spend time talking to them.
 - B. Visit them only on weekends.
 - C. Visit them once a month.
2. Why is being patient important when taking care of our grandparents?
 - A. Because they are always happy.
 - B. Because they may need more time to do things.
 - C. Because they don't like to be rushed.
3. What are some activities we can do with our grandparents to make them happy?
 - A. Reading books together.
 - B. Not caring about their interests.
 - C. Watching TV alone.
4. How can we assist our grandparents with daily tasks?
 - A. By doing everything for them.
 - B. By asking them to do tasks on their own.

- C. By helping them eat, reminding them to take medicine.
5. What is the main idea of the passage?
- A. The importance of visiting the elderly in nursing homes.
- B. Ways to make the elderly in nursing homes feel loved and happy.
- C. The challenges of taking care of the elderly in nursing homes.
