The Top 3 Annoying Things My Big Sister Does

Number 1 Tells me what to do all the time

My big sister always says 'It's your turn to help Mum and Dad with the dinner – can you go and do it now?' And she never says 'please' or 'thank you'! It's so irritating!

Number 2 Takes my things without asking

Every time I look in my jewellery box next to my bed, I can never find my favourite necklace or earrings. Guess who's got them! When I ask her about it, she says 'What? I don't know what you're talking about.' I don't know why, but she doesn't return them on the same day, or even the day after. I often wait for a week before they appear back in my jewellery box like magic!

Number 3 Gives stupid answers when I ask for advice

I think many big sisters like giving advice – they have more experience and enjoy teaching younger sisters about life. But not my sister! I never ask her for advice about my school work – I do well at school and I don't need any help. When I ask her what to wear to a party, she says 'You're much too young to party!' Or she tries to be funny and says 'Wear your school uniform!'

0 How does Emily describe her sister?

A bossy B moody C selfish

1 What annoys Emily about the way her sister talks to her?

A She's polite. B She speaks very loudly. C She's very rude.

2 What does Emily's sister take from her bedroom?
