Hi! My name's Santiago. I'm from Argentina but my home is in London, in the UK. I start school at half past eight in the morning. I have Maths and English on Monday, Wednesday and Friday mornings. My favourite day is Tuesday – we have Art and ICT in the morning and PE in the afternoon. Thursday isn't a good day for me – we have Geography and French! Every afternoon I play in the school football team with my friends Freddie and Michael.
