

Question 4.3

You will hear two versions of a recording of a radio presenter. The first version has no effects or processes. The second version has had EQ applied.

- Identify which Graphic EQ shown below (1, 2 or 3) has been applied, and justify your answer.

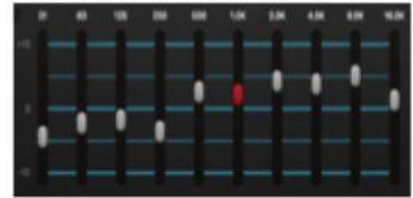

1:

2:

3:

EQ applied (1, 2 or 3):

a) Justification

- Listen to another excerpt. Tremolo has been applied to the synthesizer. Name the control / effect that has also been applied to the recording.

b) Control / Effect:

- Listen to a different excerpt. Identify **two** controls on a tremolo effects processor.

c) Control 1

Control 2
