

BOYS DON'T CRY

Anitta

Sometimes I _____ you when I can't sleep alone
Now you keep asking me what that means, oh no
In your feelings, I can feel it, you're in your feelings
You won't admit it, but that's why I push you away from me
'Cause I _____, I know
It drives you crazy
_____ to tame me
But nobody's taking control all over me
Ooh, baby, baby, you be talking tough
But your boys can't get enough
When the girls _____ your love
Who says boys don't cry?
Ooh, baby, baby, you just outta touch
'Cause you boys can't get enough
When the girls don't need your love
Who says boys _____?
Sometimes you call me when you're too drunk, oh God
Then you start telling me I'm the one - I'm not
In your feelings I can _____ it you're in your feelings
You won't admit it, but I thought that we were just having fun
'Cause I know, I know
It _____ you crazy
Try to tame me
But nobody's taking control all over me
Ooh, baby, baby, you've been talking tough
But your boys can't get enough
When the girls don't need your love
Who _____ boys don't cry?
Ooh, baby, baby, you just out of touch
'Cause you boys can't get enough
When the girls don't need your love
Who says boys don't cry?
Who says they don't cry?
Who says they don't cry?
Who says they don't cry?
