

BOYS DON'T CRY

Anitta

Sometimes I _____ you when I can't sleep alone Know
 Now you keep asking me what that means, oh no Drives
 In your feelings, I can feel it, you're in your feelings Call
 You won't admit it, but that's why I push you away from me
 'Cause I _____, I know Don't need
 It drives you crazy
 _____ to tame me Feel
 But nobody's taking control all over me Try
 Ooh, baby, baby, you be talking tough
 But your boys can't get enough Says
 When the girls _____ your love
 Who says boys don't cry? Don't cry
 Ooh, baby, baby, you just outta touch
 'Cause you boys can't get enough
 When the girls don't need your love
 Who says boys _____?
 Sometimes you call me when you're too drunk, oh God
 Then you start telling me I'm the one - I'm not
 In your feelings I can _____ it you're in your feelings
 You won't admit it, but I thought that we were just having fun
 'Cause I know, I know
 It _____ you crazy
 Try to tame me
 But nobody's taking control all over me
 Ooh, baby, baby, you've been talking tough
 But your boys can't get enough
 When the girls don't need your love
 Who _____ boys don't cry?
 Ooh, baby, baby, you just out of touch
 'Cause you boys can't get enough
 When the girls don't need your love
 Who says boys don't cry?
 Who says they don't cry?
 Who says they don't cry?
 Who says they don't cry?
