LIVEWORKSHEETS

Directions: Think about the word "CURIOUS" as it would appear in the dictionary and answer the questions below.

15. Could the guide words be "cup" and "cushion" for the word "curious"?

16. Would the word "curious" come before or after the word "curiosity"?

17. How many syllables are in the word "curious"?

18. Would it show rhyming words for "curious"?

Directions: Look at each pair of guide words. Decide which word or words could come <u>between</u> them on a dictionary page. Check "yes" or "no" to tell if each one *would* appear on that page.

19. news / night	next	never	nimble
20. record / redeem	recreation	redevelop	reconstruct
