

The need to play

Why are kittens such (1) animals? They love chasing a ball or a piece of wool, and they always play in a very (2) way. But why? All of a kitten's (3) when playing are, in fact, important for the future. It might look like (4) , but the kitten is practising its hunting skills. That (5) jump onto a toy teaches the kitten a lot. Think about your own (6) and you'll see that you learnt a lot through play.
