He [4] _____ them with a knife when we make smoothies. I prefer [5] _____, but you have to take off the skin and it is hard to [6] _____ them.

We put the fruit in the blender. Then I take a carton of [7] _____ out of the [8] _____. I carefully [9] _____ it into the blender.

I always remember to put the [10] _____ on the blender because we don't want to have smoothie all over the walls! I switch it on and, in ten seconds, we have our smoothies ready to drink!
