Oh, it seemed forever stopped today

All the 1 ..... in London

Caught a plane and flew away

And all the best women are married

All the handsome men are gay

You feel 2.....

Yeah, are you questioning your size?

Is there a 3..... in your humor

Are there 4..... under your eyes?

Do you leave dents where you 5.....

Are you 6..... a bit?

Will you survive? You must survive

When there's no love in town

This new century keeps bringing you 7 .....

All the places you have been

Trying to find a love supreme

A love supreme

Oh, what are you really looking for?

Another partner in your life

To abuse and to 8.....?

Is it 9..... stuff

Do you need a bit of rough?

10.....on your knees

Yeah, turn down the love songs that you hear

'Cause you can't 11..... the sentiment

That echoes in your ear

Saying love will stop the pain

Saying love will kill the fear

Do you believe

You must believe

I 12..... with my little eye

Something beginning with (ah)

Got my back up

And now she's screaming

So I've got to turn the track up

Sit back and watch the royalties stack up

I know this girl, she likes to switch teams

And I'm a fiend but I'm living for a love supreme

Come and live a love supreme

Don't let 'em 13 ..... you down

Everybody lives for love
