Questions 6–10

My School Library

There is a library in my school. It is on the second floor. It is about seven metres wide and ten metres long. There are eleven bookshelves in the library. They are full of books. My favourite is the shelf next to the door. It is used for displaying magazines and newspapers. I like reading newspapers, especially about sports.

Students visit the library during recess. They enjoy visiting the library because it is quiet and cool. It is very comfortable to read in this library.

6. Where is the library located?
 - A. Not far from the school.
 - B. On the second floor.
 - C. Downstairs.
 - D. Next door.
7. What is next to the door of the library?
 - A. The sport reports.
 - B. Eleven bookshelves.
8. When do the students usually go to the library?
 - A. In the morning.
 - B. During recess.
 - C. After school.
 - D. During class.
