Source Analysis: Making conclusions about the Global Trade Flow

Look at source 3 from the textbook. Write a response to the following questions in a proper paragraph.

Rank the seven regions of the world shown in the map, from the largest trader to the smallest.

Describe the destinations of exports from Asian countries. Which region is the smallest exporter? Why do you think this is the case?

Which region exports much more than it imports?

Why do you think this is the case?

What conclusions can you draw about the future of the world's global trading powers?
