Hello! I'm Ben. I'm nine. I live in Madison. It is a small town. I go to the Blackberry School. It is not in my town. I go there by bus. Some my friends go to school by bikes.

I go to school on Mondays, Tuesdays, Wednesdays, Thursdays and Fridays. My school starts at nine o'clock. At school I have English, Maths, Art, PT and IT. My teachers are great. They teach us write, read, count and work with a computer.

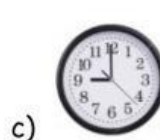

My school is big and modern. There are many places in my school. There are nice classrooms, a computer room, a dining hall, a library and a gym. I do sports in the gym. I like football, tennis and badminton. My favourite place in my school is a playground. I play games with my friends in the playground.
