

Listening Part 1

You will hear three different extracts. For questions **1-6**, choose the answer (**A**, **B** or **C**) which fits best according to what you hear. There are two questions for each extract.

Extract One: You hear two friends talking about online privacy.

1 Why does the man mention his uncle?

A to criticise his attitude to technology

B to challenge a recommendation made by the woman

C to illustrate the power of the media

2 They agree that modern technology

A makes little difference to the accessibility of personal information.

B is less invasive than some people suggest.

C will continue to reduce people's privacy.

Extract Two

You hear two trainee chefs discussing the issue of food waste.

3 What does the woman think about her boss's ideas?

A She's surprised at his forward-looking attitude.

B She's dismissive of his attention to detail.

C She's concerned about his generosity towards customers.

4 In reacting to the woman's comments, the man reveals that he is

A determined to change practices at his own workplace.

B unsure about the facts she is presenting to him.

C doubtful whether his chef would accept new ideas.

Extract Three

You hear two students talking about an experiment into the way people perceive time.

5 The woman thinks the experiment was important because

- A** it provided unexpected results.
- B** it presented a great physical challenge.
- C** it raised public awareness of the subject.

6 She believes celebrating special events

- A** convinces people that time passes more quickly.
- B** provides people with pleasant memories.
- C** gives people a sense of structure when recalling the past.
