

Partition the numbers below according to **place value**.

1. 3 462 = 3 thousands + 4 hundreds + 6 tens + 2 ones

2. 5 784 = _____ + _____ + _____ + _____

3. 6 233 = _____ + _____ + _____ + _____

4. 968 = _____ + _____ + _____

5. 4 096 = _____ + _____ + _____ + _____

6. 8 403 = _____ + _____ + _____ + _____

Partition the numbers below according to **digit value**.

1. 3 462 = 3000 + 400 + 60 + 2

2. 5 784 = _____ + _____ + _____ + _____

3. 6 233 = _____ + _____ + _____ + _____

4. 968 = _____ + _____ + _____

5. 4 096 = _____ + _____ + _____ + _____

6. 8 403 = _____ + _____ + _____ + _____
