

Different families, different places and different houses

Steven

Hello, my name is Steven Bold and I am from Austin, Texas in the USA. I live with my mother and my father. I have a twin sister, Lisa. We are ten years old. I have brown skin and brown eyes, and my hair is black and curly.

We live in a detached house and my best friend lives next door. I love playing basketball and my friends and I very often meet them after school to play.

Mary

My name is Mary Smith and I am 10 years old. I have long blonde hair and blue eyes. My parents are divorced, so I live with my mum and stepfather. I visit my dad once a week, every second weekend and in the holidays. Luckily, he does not live far from us.

I have two younger brothers and a half-sister. My brothers always get in the way and make so much noise! My half-sister is just a baby and she is so much fun. I also have a guinea pig, which is two years old. His name is Buddy.

I live in a semi-detached house in a town called Torquay in the South of England. Did you know that we have palm trees in our town?

Alan

Hi, my name is Alan Wilson and I am 9 years old. My hair is dark brown and I have brown eyes. My skin is light brown. I live with my mum and dad and my older sister, Jenny. We have a cat called Tiger. He is six years old and loves sleeping in my bed at night. My dad comes from Scotland, and my mum comes from Pakistan, so in our house we speak both English and Urdu. My grandparents still live in Pakistan, but hopefully we will visit them next summer.

We live in Glasgow, which is the biggest city in Scotland. We live in a block of flats. Our flat is on the fifth floor.

When I have the time, I love playing football. My favourite team is Rangers FC. Sometimes we go to Ibrox Stadium to watch them play football!

Kimberly

Hi, I am Kimberly Jackson. I am nine years old and I live in Sydney, Australia. I live in a terraced house with my father and my older sister, Janet. We live near the beach so in my spare time I love swimming.

I have short red hair and green eyes. My skin is pale and I have freckles on my nose. I have a rabbit named Fluffy. I got him for my seventh birthday and I keep him in a cage in my room.
