

"Sumatoria de ángulos internos en el triángulo"

Instrucciones: calcula el ángulo interno faltante del triángulo.

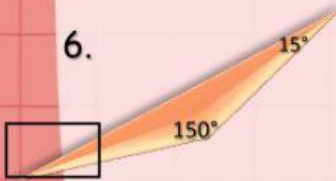

1. 

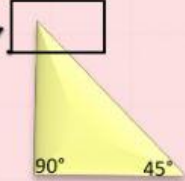

2. 

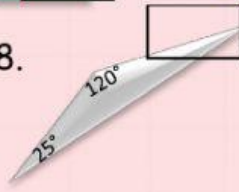

3. 

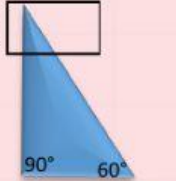

4. 

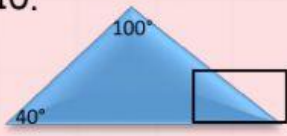

5. 

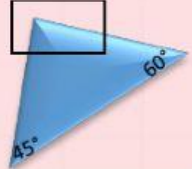

6. 

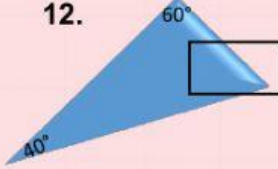

7. 

8. 

9. 

10. 

11. 

12. 

Instrucciones: Sean A, B y C, sean ángulos internos de cualquier triángulo. Calcular el ángulo faltante.

A	B	C
115°	30°	
110°		40°
	65°	65°
	82°	27°
45°		85°
72°		95°
	45°	70°
100°	30°	
80°	20°	

A	B	C
35°		25°
60°	90°	
40°		100°
	75°	60°
35°	100°	
70°		50°
90°	31°	
	45°	45°
	60°	40°
