2. 001 Listen to Samira talking about using technology. Complete the gaps

Man Hi, Samira.

Samira Hi.

Man Can you tell me how you and your family use technology?

Samira Yes, of course. So ... I've got a _____. I use it to listen to music.

Man With _____?

Samira Yes, usually. And I use my phone to chat with my friends, too. Well, we don't speak. We write messages and we use a lot of _____!

Man Do you write emails, too?

Samira No, not really. I've got an _____but I don't use it very often. I need a new _____. My friend Misha changes hers every week, and she changes the password on her phone and tablet, too.

Man Have you got a tablet?

Samira Yes. Sam, that's my younger brother, Daisy – my older sister – and I have all got _____. Theo uses his to do his homework. He's studying the Earth and the moon at the moment. It's interesting. And Daisy uses hers to take photos. She's very good at taking photos. I just use mine to play games! I've got some cool _____! That's it. I think. I haven't got a laptop with a _____or anything like that. Misha uses a _____to save her photos, but I don't have one.

Man Great, thanks Samira.
