Zadanie 2. Przeczytaj tekst i uzupełnij jego streszczenie.

Will people shop in towns in twenty years' time? In the last few years, the number of people shopping online has increased. They like the cheap prices. It's easy for us to shop from our sofas. We can save time and money shopping online. Many shops that were successful before the Internet arrived are now closed, because they were expensive. But I think there will be shops in towns in 20 years' time. Some people will always prefer to try on clothes before they buy them. People also like to talk to specialist shop assistants.

Many people now ¹shop online. A lot of things are ²— online, and it is ³— to buy things from our living rooms. Many shops that were successful have ⁴— because their prices were high. People will go to ⁵— in twenty years because they like to try on ⁶— and talk to shop assistants.
