Some cats are energetic and some cats sleep all day. What kind of cat do you prefer?
 Persian cats are often a bit lazy! The British shorthair cat is more energetic than the Persian. The Burmese is the most energetic.

Do you want a friendly cat? Remember: not all cats like people!
 The most friendly cat is the Burmese. The Persian is more friendly than the British shorthair.

Do you want an intelligent cat?
 The British shorthair is more intelligent than the Persian cat. The Burmese is the most intelligent cat but it doesn't always listen to you!

Do you want a clean cat?
 All cats are clean! The British shorthair is the cleanest but the Burmese is cleaner than the Persian. The Persian cat has a long coat – it's hard work to clean it!
