A HAPPY FAMILY!

Hello everybody! Nice to meet you! I am Emily and I am 19 years old. I live in London with my 8 sisters! Yeah, that's right I _____ 8 sisters! We _____ a beautiful house with a colorful garden at the front. My biggest sister likes helping me with the plants and we spend many hours doing that activity.

She _____ a degree on biology and she _____ a cheerful personality like me. There are some animals in the backyard too!

My sister Lily _____ a job as a vet assistant and guess what? My other sister Kim is the vet! Sometimes I _____ the job of walking the dogs and clean the cat's litter box. I know it is not the best job but I help the rest of my sisters because they _____ more work to do! Our house is very big and we need to help to each other!
