Listen to the song and fill in the gaps.

"Sun, Rain, Wind, and Snow"

On a …….. day I'm happy
On a sunny day I smile
Flowers bloom in the sunlight
We …….. outside and we go and look for butterflies

On a …… day I'm happy
On a rainy day I smile
Hills and trees look fresh and ……..
And I see rainbow coloured umbrellas in the streets

On a windy day I'm happy
On a …… day I smile
All the leaves shake and fly
And ……. kite is flying high in the sky

On a …… day I'm happy
On a snowy day I smile
Snowflakes fall …… my window
Frozen leaves shine like silver stars in a dream
