

Arctic Monkeys – Do I wanna know?

Listen to the song and complete the gaps.

Have you got colour in your cheeks?

Do you ever get that fear that you can't shift the tide that sticks around like
summat in your teeth?

Are there some aces up your sleeve?

Have you no idea that you're in deep?

I dreamt about you nearly every **(1) fight/night/eye** this week

How many secrets can you keep?

'Cause there's this tune I found that makes me **(2) see/fit/think** of you
somehow

And I **(3) play/ray/spray** it on repeat

Until I fall asleep

Spilling drinks on my settee

[CHORUS]

(Do I wanna know?)

If this feeling flows both ways?

(Sad to see you go)

Was sort of hoping that you'd stay

(Baby, we both know)

That the nights were mainly made for saying things that you can't say

tomorrow **(4) day/way/midday**

Crawling back to you

Ever thought of **(5) fallen/calling/scrolling** when you've had a few?

'Cause I always do

Maybe I'm too busy being yours to fall for somebody new

Now I've thought it through

Crawling back to you

So **(6) at/can/have** you got the guts?

Been wondering if your heart's still **(7) open/ok/oven** and if so I wanna know
what time it shuts

Simmer down and pucker up

I'm **(8) story/boring/sorry** to interrupt

It's just I'm constantly on the cusp of trying to kiss you

I don't know if you feel the same as I do

But we could be **(9) together/weather/gather** if you wanted to

[CHORUS]
