This is a beautiful landscape with an \_\_\_\_ (1) and a \_\_\_\_ (2). There are some big \_\_\_\_ (3) on the \_\_\_\_ (4), and there's a small \_\_\_\_ (5) next to the \_\_\_\_ (6). It's a \_\_\_\_ (7) \_\_\_\_ (8), and there are some big mountains on both sides of the \_\_\_\_ (9). The mountains are very high, and there's a lot of snow on top of them.

The water in the \_\_\_\_ (10) is \_\_\_\_ (11) blue and green, and it's very cold. It's also very clean, so you can drink it. But be careful! The water is very \_\_\_\_ (12) in some places. The \_\_\_\_ (13) is very cold too, but it's not as \_\_\_\_ (14) as the \_\_\_\_ (15). It's also very clean, and there are a lot of fish in the \_\_\_\_ (16) and the \_\_\_\_ (17). You can see the fish very clearly because the water is clean. The fish are very big, and they're good to eat.

There aren't any trees in the \_\_\_\_ (18), but there are some small plants. The plants are green, and they're very beautiful. There aren't any animals in the \_\_\_\_ (19), but there are some birds in the sky. The birds are big, and they're black and white. They aren't beautiful, but they're interesting.

I think this is a very beautiful place, but I don't want to live here. It's very quiet, and there aren't any people. There isn't a road or a town, so it's difficult to go shopping! But it's a great place for a holiday. You can swim in the \_\_\_\_ (20) or the \_\_\_\_ (21), and you can walk in the mountains. In the winter, you can ski on the snow. And if you like fishing, it's a wonderful place for that too.
