

Pop stars in real life

Beyoncé wakes up at 6 am every morning to have quiet time alone before she starts her very busy day, even on Sunday! Afterwards she has breakfast, usually something fresh with fruit and cereal. Beyoncé is very healthy but sometimes she also enjoys fast food, like pizza. Every day she goes to the gym or swims, even when she is on tour! She also knows how to have fun and likes to paint, listen to music and loves to spend her holidays on a boat with her family.

Ariana Grande gets up early and makes sure that she gets enough sleep every night. During the day she never eats meat or fast food because she thinks having only vegetables and fruit for breakfast, lunch and dinner makes her feel fantastic! Every day she exercises and dances to her favourite music like Bruno Mars. Sometimes she goes hiking in Hollywood and she always loves playing with her dog.

Everyone knows Shawn Mendes for his fun music but he also is known for his modelling. In order to keep in shape he goes to the gym every day, sometimes with friends when he isn't on tour. He also studies singing twice a day so he can keep his voice ready for all of his concerts. Shawn's favourite dessert is chocolate cake which he wishes he could eat every day. He loves taking selfies with his many fans and also by himself for Instagram.
