

YOU AND I BOTH

Was it you who _____ the words that things would happen but not to me?

Oh, things are gonna happen _____

Oh, taking your advice, I'm looking on the _____ side

And balancing the whole thing

Oh but at often times those words get tangled up in lines

And the bright light turns to _____

Oh until the dawn, it _____

A little bird who'll sing about the magic that was you and me

'Cause you and I both _____

What you and I spoke of

And others just _____ of

Others only ***** of the love, the love that I love

See I'm all _____ them words

Over numbers, unencumbered numbered words

Hundreds of pages, pages, pages _____

More words than I had ever heard and I feel so _____

'Cause you and I both _____

What you and I spoke of

And others just _____ of

And if you could see me now

Oh then you and I, you and I

Not so little you and I _____

And with this silence brings a moral story

More importantly evolving is the _____ of a boy

'Cause you and I both ***** what you and I spoke of

And others just ***** of and if you could see now

Well then I'm _____ finally out of, I'm finally out of

Finally...

And I'm ***** finally, finally, well I am free

And it's okay if you have to go _____

Oh just remember the telephones, well they're _____ in both ways

But if I never, ever hear the _____

Well if nothing else I'll think the bells inside

Have finally found you someone else and that's okay

'Cause I'll _____ everything you sang

(Chorus)
