

American Idiot

Green Day

Don't be an American idiot
Don't want a under the new:
And can you the sound of hysteria?
The subliminal mind-fuck:

to a new kind of tension
All across the alien :
Where everything isn't to be okay
Television of tomorrow
We're not the ones who're meant to:
For that's enough to:

Well, maybe I am the faggot, America
I'm not a part of a redneck agenda
do the propaganda
And along in the age of paranoia

Welcome to a new kind:
All the alien nation
Where isn't meant to be okay
Television dreams of:
We're not the who're meant to follow
For that's to argue

Don't want to be an American:
One nation by the media
age of hysteria
It's out to idiot America

Welcome to a new of tension
across the alien nation
everything isn't meant to be okay
Television of tomorrow
We're not the ones meant to follow
For that's enough to argue
