Exercise 2: Read the following passage and then write True (T) or False (F) (1 point)

Stamp collecting, a hobby that kids can enjoy, is all about collecting and exploring postage stamps from different countries. Stamps are those small pieces of paper we stick on letters and packages. Each stamp is like a tiny picture with famous people, animals, places, and more.

PRACTICE MAKES PERFECT- ZAGEN

Review Unit 1 - Grade 7

Collectors, even young ones, have fun learning about the history and culture of the countries shown on the stamps. These little pieces of paper can tell stories about a country's past. Collectors use special books to keep their stamps safe and organized, so they stay in good condition.

Stamp collecting is not just about getting stamps; it's also about discovering geography, history, and different cultures. It's an enjoyable and educational hobby that brings kids together and helps them learn about the world in a fun way.

1. Stamp collecting is a hobby that only adults can enjoy.	
2. Each stamp is like a tiny picture with images of famous people, animals, and places.	
3. Collectors do not need any special tools to keep their stamps in good condition.	
4. Stamps cannot provide any information about a country's history or culture.	
5. Stamp collecting is an educational hobby that helps kids learn about the world in a fun way.
