Jungles

Jungles are hot, wet places. They are very green because on most

days it there. There are big rivers in most

1 jungles, and people often go boat because

2 that is easier walking. A lot of flowers, trees

3 and animals in jungles, and sometimes there

4 are villages. Some of the food we eat and

plants in our gardens come from jungles. They are only a small part

5 the world but they give us a lot.
