Think about the story The Alien Vines that you read.
Complete the events chain to explain the plot.

A diagram consisting of four empty rectangular boxes arranged horizontally. Each box is light blue with a black border. Between the first and second box, the second and third box, and the third and fourth box, there is a small black arrow pointing from left to right. This indicates a sequence of four events to be described.

 Use your events chain to retell your partner's story.
