KEY SIGNATURE (SHARP)

The formula to find the key :
count 1 semitone (half step) from the last sharp

F# + 1/2 step = G ,
so the key of 1 sharp is G Major

G# + 1/2 step = A ,
so the key of 3 sharp is A Major

E# (or F) + 1/2 step = F# ,
so the key of 3 sharp is F# Major

B# (or C) + 1/2 step = C# ,
so the key of 3 sharp is C# Major

REMEMBER :
for E# and B#, you need to count 1/2 step from the enharmonic name

LET'S TRY! NAME THE KEY!
