

LA MULTIPLICACIÓN

➤ Recordamos con estos ejemplos la multiplicación.

2 grupos de 5 = 10

2 grupos de 4 = 8

2 veces 5 = 10

2 veces 4 = 8

5 + 5 = 10

4 + 4 = 8

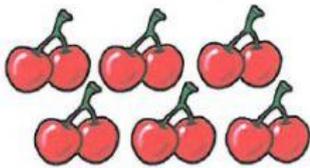

2 x 5

2 x 4 = 8

➤ Ahora te toca practicar a ti.

3 + + + =
 x =

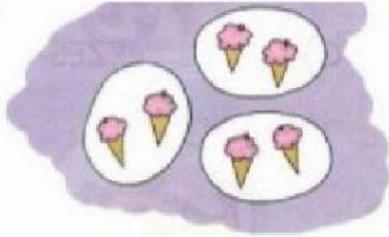

+ + + + + =
 x =

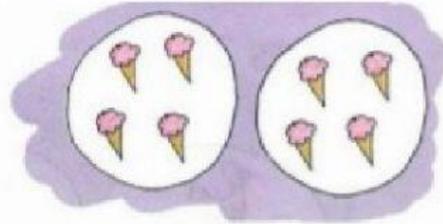

+ + + + + + =
 x =

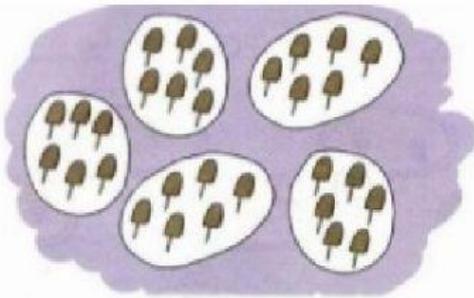

➤ Esta vez sin la suma.

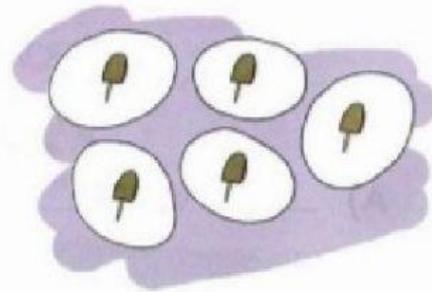

$$3 \times 2 = \dots\dots\dots$$

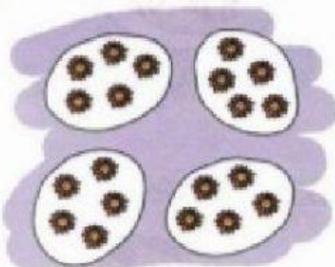

$$2 \times 4 = \dots\dots\dots$$

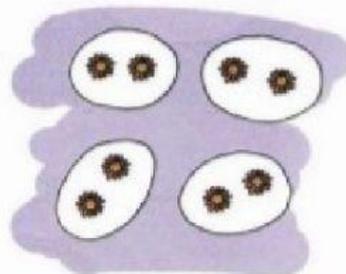

$$5 \times \square = \dots\dots\dots$$

$$5 \times \square = \dots\dots\dots$$

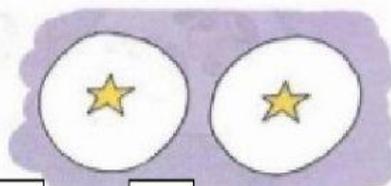

$$\square \times \square = \dots\dots\dots$$

$$\square \times \square = \dots\dots\dots$$

$$\square \times \square = \dots\dots\dots$$

$$\square \times \square = \dots\dots\dots$$
