

## 1 Underline the correct item.

- 1 Many people believe that dreams are a way for our subconscious **brain/mind** to express our deeper thoughts and fears.
- 2 Don't worry about your dream; it just shows that you're **under/a bit** stress these days.
- 3 Evelyn woke up in the middle of the night terrified, with her heart **shaking/pounding**.
- 4 Don't mind James, he just got out of the **bad/wrong** side of the bed!
- 5 I don't know what your nightmare means! Why don't you **deal with it/look it up** in a dream dictionary?

## 2 Listen to 5 people talking about their dreams. Match the statements (A-E) to the speakers (1-5).

- A The speaker created something out of his/her dream.
- B The speaker felt scared after his/her dream.
- C The speaker shared a similar experience with a friend.
- D The speaker doesn't agree with the explanation of his/her dream.
- E The speaker dreamt about something that happened in reality.
