Hi Tom,

..... I think I can help you with your problem I've asked my mum how to..... the flu and here is her..... .

..... outside if you have a fever. You stay in bed. If you a headache and a runny nose , take a lot of vitamin C and drink a lot of water. You could also drink hot tea with..... . I going to the doctor if you still sick in two days. Remember it's serious.

And one more thing you had relax and sleep a lot.

Take care,

Bob
